Summer Reminder:

The following policy regarding the supervision of children while at The Jack Kramer Club was established by the Board of Directors to maintain an enjoyable and safe environment for all members:

Children under 5 years of age are to be supervised by an adult at all times. Pool safe children ages 5 to 9 must have a parent or responsible adult on ground, monitoring the childrens' behavior and safety. Children ages 10 and up may be left on the grounds unsupervised, provided they are at the Club for tennis purposes, or swimming when a lifeguard is on duty. If they are not here for those purposes then they may not be left unattended at the Club. Thank you for your compliance in this manner, to ensure a safe and comfortable Club environment.

Parents learn to teach their child to love the water without fear while learning age appropriate water safety techniques.
